Courses Taught by Dr. Kettemborough for National University

Information Systems & Basic Programming	Oct-92
Verification & Validation Techniques	Jan-93
Programming Languages	Mar-93
Compiler Design with C	Apr-93
Principles of Software Engineering	Aug-94
Advanced Software Engineering	Sep-94
Verification & Validation Techniques	Oct-94
Artificial Intelligence	Mar-95
Computer Networks	Sep-95
Assembly Language	Jan-96
Data Structures with C	Mar-96
Object-Oriented Programming with C++	Sep-97
Advanced Software Engineering	Apr-98
Verification & Validation Techniques	May-98
Object-Oriented Programming with C++	Sep-98
Computer Architecture (hardware) - directed study C. Checkos	Nov-98
Computer Architecture (hardware) - directed study C. Checkos	Nov-98
Programming in C++	Nov-98
Computer Architecture (hardware) - directed study D. Massino	Jan-99
Object-Oriented Programming with C++	Jan-99
Computer Networks	Feb-99
Principles of Software Engineering	Mar-99
CASE Tools	Apr-99
Applied Software Architecture	May-99
Principles of Software Engineering	Aug-99
Computer Architecture I	Sep-99
Computer Architecture II	Oct-99
Embarking on E-Commerce	Nov-99
Embarking on E-Commerce ONLINE	Jan-00
Data Modeling in Information Technology Environments	Feb-00
Principles of E-Commerce ONLINE	May-00
Principles of E-Commerce ONLINE	Jul-00
Embarking on E-Commerce ONLINE	Jul-00

Total   **33**
