From: Patricia Curtis
Training Manager – Academics

Subject: Completion of “Mastering Facilitation of Discussions and Chats”

Congratulations on your successful completion of the AIU Online Quarter 2, 2004 In-Service, “Mastering Facilitation of Discussions and Chats.” The contributed knowledge and insight of each participant lends to the overall value of the presented information, as each considers and discusses the practical application of learning theory to the AIU Online classroom. Every new strategy or technique that a facilitator brings to the classroom potentially affords that facilitator with the means to reach one more student, and to therefore directly impact that student’s future success.

Continuing Educations Units are awarded to successful participants in AIU Online in-services. For successful completion of the Quarter 2, 2004 In-Service, one CEU will be applied to a permanent record of participation in non-credit Continuing Education programs. This CEU award is also documented on the enclosed Certificate of Completion.

Thank you for your dedication and commitment to excellence in online education.

Sincerely,

Patricia Curtis

Dear Dr Kettemborough

You are to be congratulated. As a noted and eminent professional in the field of communication and as such, previously recognised by us for your important contribution, you have now been considered and nominated for further recognition by the International Biographical Centre. Of the many thousands of biographies from a wide variety of sources investigated by the research and editorial departments of the IBC, a select few are those of individuals who, in our belief, have made a significant enough contribution in their field to engender influence on a local, national or international basis. Your previous selection was evidence of your credentials - but it was merely a stepping-stone to an even greater destination. Ratification of your nomination by the Awards Board is now complete and it is therefore my great honour to name you as an inaugural member of the IBC

TOP 100 COMMUNICATORS 2006

As holder of this distinction, you can be assured of your place in our history and be gratified that your work has not only been noticed but recognised as outstanding. In any one year only one hundred of the world's best Communicators, both famous and uncelebrated, from all disciplines will be able to populate this exclusive list. These are people whose daily work ***makes a difference*** - not just those who populate the headlines. It is henceforth decreed that **you** should be on this list for 2006 but as bearer of this honour you will be recorded in perpetuity in the halls of the International Biographical Centre - I trust you will be proud to know your name is to take its rightful place.

As a listee of the IBC **TOP 100 COMMUNICATORS** you are eligible for the commemorative items available - the distinguished and limited **TOP 100 COMMUNICATORS** medal, designed by regalia-makers to the World's Monarchies and the distinguished illuminated certificate which is printed in full colour on finest parchment, laminated onto solid wood for instant hanging - I enclose details for your perusal. I have authorised a **very advantageous discount** for you when ordering both items, please see overleaf for details.

I am very pleased to be able to bring you this news and hope you feel proud of the influence you have on your colleagues and friends. It is only left for me to offer my sincere congratulations. I look forward to hearing from you.

Sincerely

Nicholas S. Law
